Day 2 Killington, Vermont

After an included breakfast this morning we depart for the Lake Champlain ferry that will bring us to Grand Isle, Vermont. Your local guide will warmly greet you upon your arrival here. Burlington is just 45 minutes away, and your first stop is at ECHO, Vermont's lake aquarium and science center. Discover the ecology, culture, history, and opportunities for stewardship that the Lake Champlain Basin offers. Free time for lunch and shopping at the Church Street marketplace. This historic pedestrian street has over 160 fashionable boutiques, restaurants, as well as street performers and local vendors. This afternoon tea is being served at the Brandon Inn. Day 3 Killington, Vermont

After breakfast this morning we depart from the Inn escorted by our guide for a full day of touring. First we stop at the Morse Farm. This attraction deals specifically with the production of Maple Syrup and other Maple products. Enjoy the Vermont tradition of Sugar On Snow. Their gift shop is extensive with many wonderful Vermont made products and crafts. After a lunch break we then visit the Rock of Ages. This 600 foot deep, 50 acre quarry is simply a spectacular site. You will drive right up to the quarry and learn all about its existence and the job security of its workers due to its size and

scope. To finish off the afternoon we will visit Ben and Jerry's ice cream factory and learn how 2 friends from high school became entrepreneurs in the ice cream industry. Drive back to the Inn to freshen up before departing for dinner at a local Country Inn. (B,D)

Day 4 Auburn, New York

Following breakfast this morning, depart with our local guide for the Adams Farm. The Adams farm offers the ultimate agricultural experience! Enjoy the views on a narrated hayride through the maple grove to a log cabin at the edge of the forest for a warm up by the wood fires, or on warmer days, under the party tent in and among the friendly farm animals for a cultural heritage presentation. Learn to view Vermont in a whole new perspective "through the eyes of a farmer". Delight in this humorous presentation on the workings; past, present and future of this 5th generation family farm. Hands-on audience participation. Adams Farm features a store with farm produce and Vermont products. Lunch is on your own in the quaint village of Wilmington. Your local guide will say goodbye after offering the group luncheon suggestions. After lunch, travel to Auburn, New York for the evening. An award winning Holiday Inn is your lodging this evening and dinner is at a local family owned country inn, just minutes from your hotel. (B,D)
