DAY 3 to DAY 5 Branson, Missouri

These days will be filled with excitement as we enjoy Branson and the Ozark Mountain area. We have included admission to six music shows during our stay, and have also allowed you free time to see more of your favorite entertainers on your own. In Branson we feature The Shoji Tabuchi Show - starring Shoji Tabuchi, his beautiful wife Dorothy, and sometimes their very talented daughter Christina, this show features all the lights, sights and sounds to rival any show seen in Las Vegas or New York; The Showboat Branson Belle - a romantic way to cruise Table Rock Lake and there's the bonus of a great lunch meal and world class show, making this a perfect way to spend a part of an afternoon. The Huges Brothers show-Five wildly talented brothers astounding all ages with their rich harmonies, brilliantly choreographed foot steppin' moves, with everything from todays Country hits to the Old Western Classics to Broadway and Gospel. Doug Gabriel - whatever your taste in music, you will hear it all and long before you leave the theatre, you will know why Doug was voted Best

Morning Show, Entertainer of the Year and Instrumentalist of the Year. Doug will also play his world famous Thunderbird "Mufftar". At the Mickey Gilley Theatre you will see the warm, genuine, talented Dalena Ditto-Dalena's down home sense of humour and incredible renditions of Country are beautifully complimented with elegant costumes, enchanting audiences of all ages. The Mickey Gilley Show is home to music and comedy, making it one of the best two hours you will spend. His top rated eight piece band includes three horn players and back up singers, who jump right in as Mickey takes his audience through a music medley of his string of number one hits. Plenty of time to enjoy one of the many other entertainers in Branson including Country Tonite, The Duttons, the Presley's, Jim Stafford, Pierce Arrow, Hank Williams Revisited and Jim Owen. Finally, to make your Branson experience like no other, we have included a visit to the brand new Titanic Museum. Expect to see Titanic in a whole new light, a permanent two story museum shaped like Titanic herself, and was built half scale to the original! Continental breakfast will be included on each morning at our hotel. Another day we enjoy Silver Dollar City where you can see artisans at work or watch a variety of musical shows. For those who like to shop, there will be time to hunt for bargains in any of the more than 60 stores at the Factory Merchant Outlet Mall, Branson. It's neon, restaurants, shops, and music, music, music. We're sure you'll enjoy your days in the Music Show Capital of the World! (3 CB, L)

We reboard our motorcoach once again and say farewell to the Ozark region, with fond memories of all of the entertainers that have performed for us in the last few days.
